## **Call for Papers – EURAM 2010 Doctoral Colloquium** **May 18-19 May, 2010** **University of Tor Vergata - Rome**

Are you a second or higher year doctoral student?  
Would you like to become part of a highly motivated community of young researchers?  
Do you want to engage with doctoral students from different parts of Europe?  
Do you want to become the winner of the “EURAM 2010 Doctoral Colloquium Best Paper Award”?  
Are you ready to try something different?

**Then we would like to invite you to participate in the EURAM 2010 doctoral colloquium!**

### **Explore**

*Learn from leading management scholars! AND Learn from those, who have just finished...and survived their PhD!*

In the first part of the colloquium experienced management scholars will share their experience in doing research and being a researcher. Learning from those scholars and asking them all the questions you've always wanted to ask management scholars is a great opportunity to become part of the management research community. Also, we are pleased to announce, that this year for the first time, we will invite participants of the 2008 and 2009 doctoral colloquiums, who have just finished their PhD, to share their experience with you. Don't miss this great opportunity to learn how to survive a PhD and get insights regarding strategies that helped your peers.

### **Experience**

*Learn from each other!*

In the second part of the colloquium you will discuss your papers in small groups – each supervised by a senior researcher. The aim is *not* to give a “traditional” paper presentation but to briefly outline your research and then seek advice and feedback for the particular questions you have. We will circulate the papers in advance so that you and the senior researchers can familiarise yourselves with the work of the others members of your team. Our scientific committee will decide about who will become the winner of the “EURAM 2010 Doctoral Colloquium Best Paper Award”.

### **Engage**

*Identify future trends of management research!*

In the third part of the colloquium, we invite you to take part in identifying future trends of management research: If you would be the editor of a key journal in your field, which special issues could you think of? Where would you put the focus on – why? What are the innovative ideas that will mark the forthcoming volumes? Discuss your ideas with editors of leading academic journals.
